T. R. WARD
Director Athletics and Head Coach

We welcome our visitors to Morris Harvey College and the City of Charleston and our opponents to the gridiron. We hope we may prove to be a worthy foe. We are in constant competition with forces both seen and unseen. We do not expect to be rewarded for our winnings but for our strivings.

Greetings to our opponents and their followers, who we welcome as guests of Morris Harvey College.

We hope that our strivings will never stray from their aims, sportsmanship, loyalty, valuable contacts, to be good competitors, recognize the rights and privileges of our opponents, to act as a rallying point around which the morale of an institution is built and to teach us to be partisan without prejudice.

NATURAL GAS SERVICE

ONE OF THE SMALLEST ITEMS IN YOUR BUDGET BUT ONE OF THE BIGGEST THINGS IN YOUR HOME

It is surprising when you think of it, how small a fraction of your total budget is required for GAS SERVICE.

And yet the dollar you spend for NATURAL GAS . . . for heating, cooking, water heating, refrigeration and other purposes . . . buys more downright utility than almost any other dollar you spend.

NATURAL GAS SERVICE saves time, steps and work; it takes much of the drudgery out of housekeeping; it adds greatly to the comfort, convenience, and healthfulness of your home.

Where else can you buy so much for so little.

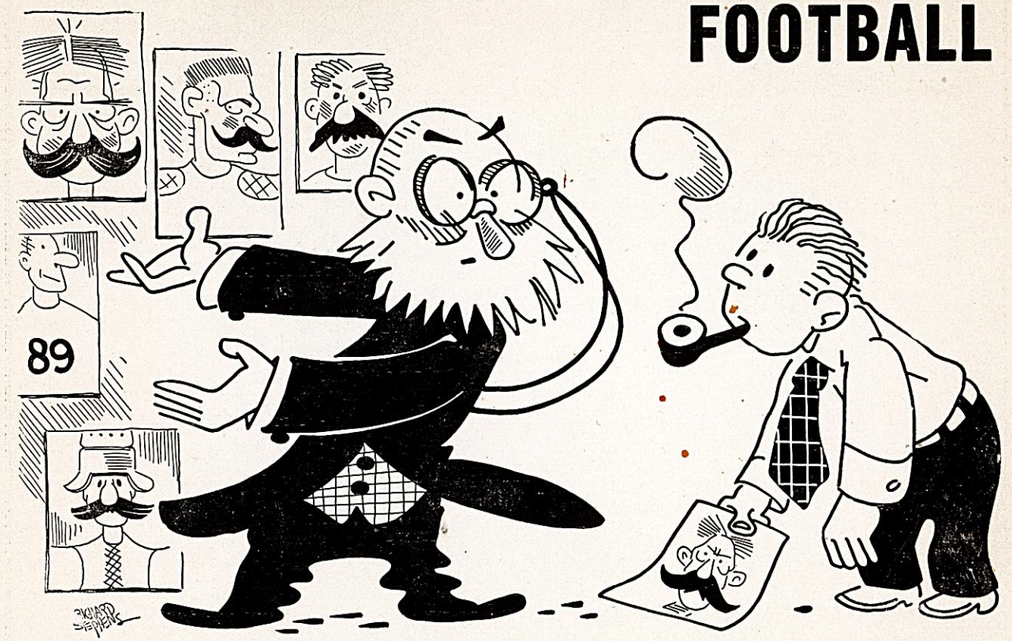
A SHORT HISTORY OF AMERICAN FOOTBALL



1800-1865—Football, as a simple campus sport, was played with few rules or regulations at some of the Eastern colleges.

1870—Columbia joined Princeton and Rutgers in a mutual series of games.

1876—American Intercollegiate Football Association created.

1877—15 players constituted a team and arranged as follows: 9 men in rush line, 1 quarterback, 2 halfbacks, 1 three-quarter back and 2 full-backs.

1880—The rugby scrum was abandoned in favor of a crude scrimmage line, out of which has developed the modern scrimmage line.

1882—Introduction of the rule on "downs," requiring team to advance ball five yards on three consecutive downs.

1884—Scoring established as follows: Safety, 1 point; touchdown, 2 points; goal from touchdown, 4 points; goal from the field, 5 points.

1887—Office of umpire created and given jurisdiction over players. Referee's jurisdiction limited to the ball.

1888—Blocking with extended arm ruled out.

1897—Scoring changed as follows: touchdown, 5 points; goal from touchdown, 1 point; goal from field, 5 points; safety, 2 points.

1906—Forward pass introduced. Officials to consist of referee, two umpires, and linesman.

1909—Value of field goal reduced to three points.

1912—Teams allowed four downs to advance ball 10 yards.

1915—Appearance of numbers on players' jerseys.

1917—Substitutes prohibited from talking with members of team upon the field until after the first play completed.

1925—Kickoff changed from middle of the field to 40-yard line.

1927—Goal posts set 10 yards back of goal line. Time limit of 30 seconds placed on putting ball in play after it was ready for play.

1929—Run with recovered fumble by opposition prohibited.

1933—A side zone created of ten yards' width measured from the side line.

1937—No second kick-off allowed if kick-off goes out of bounds between the goal lines.

1938—Ball moved in fifteen yards from sidelines.
